PUBLIC NOTICE.**DOMINION LANDS IN BRITISH COLUMBIA.**

WITH reference to the Form of Reply intended to be made in due course to applications for purchase of Dominion Lands within the Railway Belt on the Mainland of this Province, which was published in the British Columbia newspapers on the 27th of November last and subsequently, the attention of applicants for such lands is called to the provisions of the "Dominion Lands Act, 1883," as to Homestead Rights, and particularly to sub-section 4 of section 27 and section 29 of that Act, to which provisions, as stated in that reply, or to provisions similar thereto, all Homestead Rights in British Columbia will be subject.

The sections of the Dominion Lands Act which govern Homestead Rights are published in the BRITISH COLUMBIA GAZETTE of this day's date.

The privilege of pre-empting land adjoining land held by Homestead Right will, however, not be granted in British Columbia; and it must therefore be borne in mind that the pre-emption provisions of the Dominion Lands Act will not be made applicable to the Dominion Lands in British Columbia.

Due notice will be given when the Dominion Lands in the several Districts are respectively open to Homestead Entry, and of the appointment of Local Agents, before whom the affidavits prescribed in section 29 of the Dominion Lands Act are to be made.

JOSEPH W. TRUTCH,

Victoria, B.C.,

Dominion Government Agent.

"DOMINION LANDS ACT, 1883."**HOMESTEAD RIGHTS.**

27. Any person, male or female, who is the sole head of a family, or any male who has attained the age of eighteen years, shall, on making application in the form A in the schedule to this Act, be entitled to obtain homestead entry for any quantity of land not exceeding one quarter section, and being of the class of land open, under the provisions of this Act, to homestead entry.

2. Such person shall also, in connection with such homestead entry, be entitled to the privilege of obtaining at the same time, but not at a later date, a pre-emption entry for an adjoining unoccupied quarter section, or part of a quarter section, of land of the said class.

3. The entry for a homestead and for its attached pre-emption, if any, shall entitle the recipient to take occupy and cultivate the land entered for, and hold possession of the same to the exclusion of any other person or persons whomsoever, and to bring and maintain actions for trespass committed on the said land; the title to the land shall remain in the Crown until the issue of the patent therefor, and the said land shall not be liable to be taken in execution before the issue of patent:

4. The privilege of homestead and pre-emption entry shall only apply to surveyed agricultural lands; no person shall be entitled to such entry for land valuable for its timber, or for hay land, or for land on which there is a stone or marble quarry, or coal or other

mineral having commercial value, or whereon there is any water power which may serve to drive machinery, or for land which, by reason of its position, such as being the shore of an important harbour, bridge site or canal site, or being either an actual or prospective railway terminus or station, it will be in the public interest to withhold from such entry.

28. Whenever the survey of any township has been finally confirmed and such township opened for homestead entry, any person who has *bona fide* settled and made improvements before such confirmed survey on land in such township, shall have a prior right to obtain homestead entry for the land so settled on, provided such right be exercised within three months after the land is open for settlement; and provided that such land has not been reserved or the right to homestead entry is not excepted under the provisions of this Act. No homestead entry shall be granted to any other person in respect of such land until three months after notice in writing shall have been given by the Local Agent to such *bona fide* settler that such land is open for settlement.

29. To obtain homestead entry it shall be necessary for the person applying therefor to appear and make affidavit before the Local Agent according to form B, C, D, or E, in the schedule to this Act, as the circumstances of the case require: upon filing such affidavit with the Local Agent, and on payment to him of an office fee of ten dollars, such person shall receive a receipt from the Local Agent according to the form F in the schedule to this Act; and such receipt shall be a certificate of entry, and shall be authority to the person obtaining it to go into possession of the land described in it:

2. If a person obtaining homestead entry applies for and obtains at the same time a pre-emption entry, he shall pay to the Local Agent a further office fee of ten dollars, and shall receive therefor from him a receipt in like form, and having like effect to that prescribed for homestead entry:

3. Provided, that in case of intending immigrants or other persons proposing to settle together, the Minister of the Interior or the Land Board, on requisition signed by them, may authorize any person they name to obtain homestead and pre-emption entries for them, before their arrival in the territory in which the land they desire to occupy is situate:

4. The person so authorized shall, to obtain such entries, make application in the form G in the schedule to this Act, on behalf of each of those whom he represents, and shall make affidavit before the Local Agent according to form H, J, K, or L, in the schedule to this Act, as the circumstances require, and pay for each homestead and for each pre-emption entry the office fee of ten dollars hereinbefore prescribed for such entry:

5. Persons occupying land owned by them may obtain homestead entry for any contiguous land open to the same; but the whole extent of land, including that previously owned and occupied, must not exceed one quarter section:

6. A person applying for such entry for contiguous land must, when making the affidavit prescribed for homestead entry, also describe therein the tract he owns and lives upon; and his residence upon and cultivation of the whole shall thereafter be of the kind and for the term required by the provisions of this Act in the case of ordinary homestead entry, before he shall be entitled to patent for the part so entered for: Provided, that such residence and cultivation may be upon and of either the land originally occupied by him, or that for which homestead entry has been obtained, or both.

30. In case a dispute arises between persons claiming the right to homestead entry for the same land, the Local Agent, or any person thereto authorized by the Minister of the Interior, shall make investigation and obtain evidence respecting the facts, and his report thereon, together with the evidence taken, shall be referred to the Minister of the Interior for decision, or to the Dominion Lands Board, Commissioner of Dominion Lands, or such person as may be appointed by the Governor in Council to consider and decide in cases of such disputes:

2. Provided that, when two or more persons have settled upon and seek to obtain homestead entry for the same land, the one who settled first thereon shall be entitled to such entry if the land be of the class open to homestead entry, and if it be not in the opinion of the Minister of the Interior otherwise inexpedient, in the public interest, to entertain any application therefor:

3. Provided further that, where contending parties have made valuable improvements on the land in dispute, the Minister of the Interior, if the application to acquire the land by homestead entry is entertained by him, may order a division thereof in such manner as shall preserve to each of them as far as practicable, his improvements; and the Minister may, at his discretion, direct that what the land so allotted to each of them may be deficient of a quarter section shall be made up from unoccupied land adjoining, if there be any such of the class open to homestead entry.

31. Any person who has obtained homestead entry shall be allowed a period of six months from its date within which to perfect the entry by taking, in his own person, possession of the land and beginning continuous residence thereon and cultivation thereof; and if the entry be not perfected within that period, it shall be void, and the land shall be open to entry by another person, or to other disposition under this Act by the Minister of the Interior:

2. Provided, that any person who has obtained entry on or after the first of September in any year, and whose term for perfecting the same expires before the first day of June following, shall be allowed an extension of time to the latter date within which to perfect his entry:

3. Provided further, that in the case of immigrants from elsewhere than the North American Continent, the Governor in Council may extend the time for the perfecting of entry to twelve months from the date thereof.

32. In case a certain number of homestead settlers, embracing not less than twenty families, with a view to greater convenience in the establishment of schools and churches, and to the attainment of social advantages of like character, ask to be allowed to settle together in a hamlet or village, the Minister of the Interior may, in his discretion, vary or dispense with the foregoing requirements as to residence, but not as to the cultivation of each separate quarter-section entered as a homestead.

33. At the expiration of three years from the date of his perfecting his homestead entry, the settler, or in case of his death, his legal representatives, upon proving to the satisfaction of the Local Agent, that he, or they, or some of them have resided upon and cultivated the land during the said term of three years, shall be entitled to a patent for the land, provided such proof is accepted by the Commissioner of Dominion Lands, or the Land Board: Provided also, that the patent therefor shall not issue to any person not then a subject of Her Majesty by birth or naturalization:

2. Provided, that in the case of a settler who may have obtained homestead entry for land occupied by him previous to survey thereof, in manner hereinbefore mentioned, residence upon and cultivation of the land for the three years next preceding the application for patent, shall, for the purpose of the issue of patent, be held equivalent to that prescribed in the foregoing sub-clause, if such residence and cultivation be otherwise in conformity with the provisions of this Act.

3. Any person proving that he has resided on the land for which he has homestead entry for twelve months from the date of his perfecting his entry therefor, and that he has brought under cultivation at least thirty acres thereof, may, before the expiration of the three years defined in sub-clause one of this clause, obtain a patent by paying the Government price at the time for the land.

4. Proof of such residence and cultivation shall be made by affidavit before the Local Agent by the claimant, and corroborated by the testimony on oath of two disinterested witnesses resident in the vicinity of the land affected by their evidence, and accepted as sufficient by the Commissioner of Dominion Lands or the Land Board.

5. And if, in connection with the homestead entry, the settler has heretofore obtained, or hereafter obtains, a pre-emption entry in accordance with the provisions of this Act, he shall, on becoming entitled to a patent for his homestead, be also entitled to a patent for the land included in such pre-emption entry, on payment of the price fixed in accordance with the provisions of this Act by the Governor in Council; but such pre-emption right, if not exercised and payment made within six months after the settler shall have become entitled to claim a patent under his homestead entry, shall be forfeited, and such pre-emption shall not thereafter be open to homestead entry without the consent of the Minister of the Interior.

34. In case it is proved to the satisfaction of the Minister of the Interior that a settler has not resided upon and cultivated his homestead, except as herein provided for, at least six months in any one year, the right to the land shall be forfeited, and the entry therefor shall be cancelled; and the settler so forfeiting his entry shall not be eligible to obtain another entry except in special cases in the discretion of the Minister of the Interior.

2. Provided, that in cases of illness, vouched for by sufficient evidence, or in the cases of immigrants requiring to return to their native land to bring out their families to their homesteads, or in other special cases, the Minister of the Interior may, in his discretion, grant an extension of time, during which a settler may be absent from his homestead, without prejudice to his right therein; but the time so granted shall not count as residence.

35. A homestead, the entry of which has been cancelled may, at the discretion of the Minister, be held for sale of the land with the improvements, if any,—or of the improvements only, in connection with homestead entry thereof,—to another person.

36. Any assignment or transfer of homestead or pre-emption right or any part thereof, and any agreement to assign or transfer any homestead or pre-emption right or any part thereof after patent, which shall have been obtained, made or entered into before the issue of the patent, shall be null and void; and the person so assigning or transferring or making an agreement to assign or transfer, shall forfeit his homestead and pre-emption right, and shall not be permitted to make another homestead entry: Provided, that a person whose homestead or homestead and pre-emption may have been recommended for patent by the Local Agent and who has received from such Agent a certificate to that effect in the form M, in the Schedule to this Act, countersigned by the Commissioner of Dominion Lands, may legally dispose of and convey, assign or transfer his right and title therein.
